A Prayer for our Communities

Holy One,
we thank you for the unique gifts,
diverse histories,
and loving communities of
All Saints, Canon Davis Memorial,
St. Bartholomew's, and St. Paul's.
We pray for your guidance
as we seek to deepen our connections
and strengthen our shared mission.
Help us to collaborate with open hearts
and a spirit of mutual respect,
recognizing that we are stronger together.
Give us the courage
to listen deeply to one another,
to share our wisdom and resources,
and to support each other in our call to serve.
Guide us as we work
side by side for justice, compassion,
and love in our neighbourhoods and beyond.
This we pray, led by your grace
and grounded in your love. **Amen.**
